Agile Manifesto

fable 

If you're puzzled: agileety.com/agilemanifesto

**Working
Product**

over

**Comprehensive
Documentation**

**We are uncovering better ways of developing
products by doing it and helping others do it.**

fable 

**Customer
Collaboration**

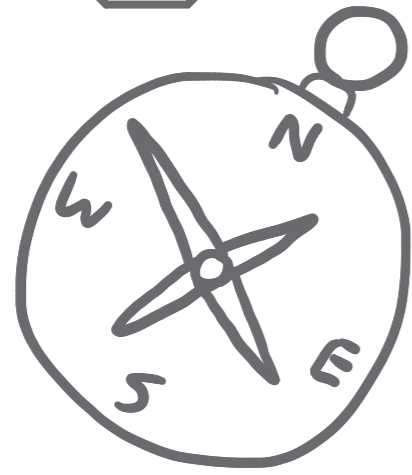

over

**Contract
Negotiation**

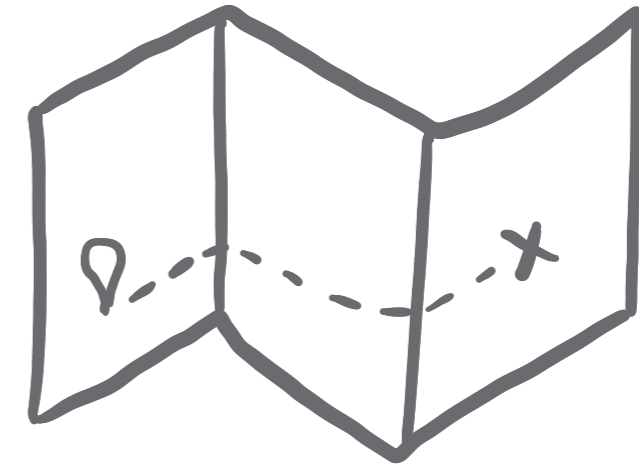

Through this work we have come to value:

fable 

**Responding
to Change**

over

**Following
a Plan**

**That is, while there is value in the items on
the right, we value the items on the left more.**

fable
